

Salvation

If you are wondering if God is real and the story of Jesus dying on the cross for your salvation is true, the answer is yes. But you don't have to take my word for it, ask God for yourself and He will prove to be real. You are worthy of His Love not because of what you have done but because he says you are.

Whatever you are going through in life right now, God has better for you. He has put you on this earth to glorify him and he has the very best for you. Do not be persuaded what the world entices us with. The rushes are fleeting and ultimately, He is the only one who can satisfy every part of who you are. You get to decide if you want to go on your own journey as a Christian. If you do and you are really ready to begin a new life different than who you used to be, know this:

The Bible says in John 3:16: "For this is the way God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life."

He died on the cross so that you can die to who you are now and begin to live life righteously and by His standards. Feel free to pray on your own or follow the prayer below. Either way continue to have dialogue with God after because he wants to have a relationship with you and to give you a new life.

Prayer:

Dear Jesus,

I believe that you died on the cross and that you have given me grace. I receive this grace and choose to follow you. I am sorry for all of my sins in the past and pray that you would forgive me. Please give me a fresh start and teach me how to live the best life that you have for me. Inspire me and show me what you have put me here on this earth to do for you. Let me be full of your love, joy, peace, patience, and kindness. Let my life be testimony to how amazing you are and the love that you have for everyone.

From this day forward, I am free from sin and choose to live for you.

Amen
